## **Joshua Lozoff**

Joshua's performances combine his love for the art of magic, and his fascination with psychology, the powers of observation and influence.

In one moment, he makes a drawing come to life just by pointing; in the next he predicts an audience member's choices even before he or she knows them himself/herself.

From theaters and performing arts centers, to corporate events and private parties, Joshua's magic and mental demonstrations enliven any event. And his passion for magic and respect for his audience come across in every performance. An evening spent with Joshua will amaze and entertain you.

## **Jason Hewlitt**

The Award-Winning One-Man Show of Jason Hewlett.

The Entertainer that will have you laughing until it hurts. Comedy, Music, Impressions, Emcee and Singer makes Jason the perfect choice for our evening!

His brand of Hilarious G-Rated Entertainment is unlike anything you've seen. Over 2,000 shows for more than 1 Million audience members in his incredible corporate career make Jason's show the event you will remember for years to come.

## **Sung-Bong Choi**

On 6 June 2011, Sung-Bong's performance of Sarah Brightman's "Nella Fantasia" on *Korea's Got Talent* moved judges and audience members to tears. He introduced himself as a manual laborer who had made a living selling gum and energy drinks for ten years. All three judges were impressed with his vocal talent. Sung-Bong advanced to the finals of the competition, finishing second by only 280 votes.

This will be his first ever performance in Florida. This will be an opportunity to witness a star in the making. His YouTube video already has 160 million views!

## Our Mission

**Our Mission is to help parents in the healing process after suffering the loss of a child and siblings that lose a brother or sister. Recently – we expanded our services to all types of loss and grief associated with the loss.**

- 1) Bobby's Place in Coral Spring, serves as our foundation headquarters, where we offer grief support to parents that lose a child and sibling support. The foundation offers grief counseling in the Dade, Broward & Palm Beach County areas. *Group and individual counseling!*
- 2) We offer a beautiful hand painted portraits to a parent/guardian who lost their child. We offer this service to parents locally and throughout the entire United States.
- 3) We have established The Bobby Resciniti Healing Hearts Scholarship fund. It is in partnership at Palm Beach State College (PBSC) for Criminal Justice students that have the dream to be a Police Officer like Bobby.
- 4) Our foundation helps other similar causes and foundations with financial support when possible and if they meet our criteria.

**ALL OF OUR SERVICES ARE FREE OF CHARGE – Thanks to the support from people and organizations like you!**

**Support** - Parents or Siblings that suffer the loss of a child or brother/sister. When you come to The Bobby Resciniti Healing Hearts Foundation Inc., you'll become part of a group designed to assist you through the grieving process.

**Understanding of Grief** – Families are offered opportunities to identify and recognize the normal feelings & responses accompanying grief.

**Connecting with others** - By interacting with their peers, the bereaved can relate to one another's feelings through their own experience of loss. Children and adults feel less isolated and the journey of mending broken hearts is made a little easier.

## Our Vision

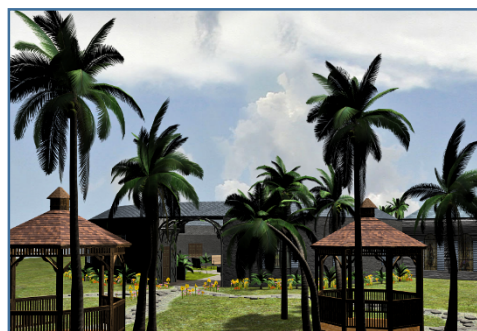

Bobby's Place serves the community well. It is a place where families can go and start the healing process after suffering the terrible tragedy of losing a child. It is a safe haven for parents to go and meet our grief counselors and other parents traveling the same road.

Bobby's Dad, Bob Resciniti has a vision for The Bobby Resciniti Healing Hearts Foundation. Imagine if you will, a place where families can go to share their grief with others that carry the same pain and anguish. Our plan is to have 10 – 15 acres of land with beautiful trees, plants, gazebo's, a chapel, Angel pavers leading to Angel benches throughout the decorated gardens. We want a place where people can meet, fellowship and bring hurting families together to help mend their broken hearts. There is such a need for a "place to heal" for parents that lose a child or a sibling that loses a brother or sister. Grief comes in many shapes and sizes...there are no rules to grief as everyone heals differently. The Bobby Resciniti Healing Hearts Foundation is dedicated bringing a small amount of peace, hope and happiness to people with a broken heart.

**Every hour of every day, another child leaves this world too soon, leaving behind – broken hearts and shattered dreams.**

*Together, we WILL make a difference!*
