Our Mission

Our Mission is to help parents in the healing process after suffering the loss of a child and siblings that lose a brother or sister. Recently – we expanded our services to all types of loss and grief associated with the loss.

- 1) Bobby's Place in Coral Spring, serves as our foundation headquarters, where we offer grief support to parents that lose a child and sibling support. The foundation offers grief counseling in the Dade, Broward & Palm Beach County areas. *Group and individual counseling!*
- 2) We offer a beautiful hand painted portraits to a parent/guardian who lost their child. We offer this service to parents locally and throughout the entire United States.
- 3) We have established The Bobby Resciniti Healing Hearts Scholarship fund. It is in partnership at Palm Beach State College (PBSC) for Criminal Justice students that have the dream to be a Police Officer like Bobby.
- 4) Our foundation helps other similar causes and foundations with financial support when possible and if they meet our criteria.

ALL OF OUR SERVICES ARE FREE OF CHARGE – Thanks to the support from people and organizations like you!

Support - Parents or Siblings that suffer the loss of a child or brother/sister. When you come to The Bobby Resciniti Healing Hearts Foundation Inc., you'll become part of a group designed to assist you through the grieving process.

Understanding of Grief – Families are offered opportunities to identify and recognize the normal feelings & responses accompanying grief.

Connecting with others - By interacting with their peers, the bereaved can relate to one another's feelings through their own experience of loss. Children and adults feel less isolated and the journey of mending broken hearts is made a little easier.

Our Vision

Bobby's Place serves the community well. It is a place where families can go and start the healing process after suffering the terrible tragedy of losing a child. It is a safe haven for parents to go and meet our grief counselors and other parents traveling the same road.

Bobby's Dad, Bob Resciniti has a vision for The Bobby Resciniti Healing Hearts Foundation. Imagine if you will, a place where families can go to share their grief with others that carry the same pain and anguish. Our plan is to have 10 – 15 acres of land with beautiful trees, plants, gazebo's, a chapel, Angel pavers leading to Angel benches throughout the decorated gardens. We want a place where people can meet, fellowship and bring hurting families together to help mend their broken hearts. There is such a need for a "place to heal" for parents that lose a child or a sibling that loses a brother or sister. Grief comes in many shapes and sizes...there are no rules to grief as everyone heals differently. The Bobby Resciniti Healing Hearts Foundation is dedicated bringing a small amount of peace, hope and happiness to people with a broken heart.

Every hour of every day, another child leaves this world too soon, leaving behind – broken hearts and shattered dreams.

Together, we WILL make a difference!
